Call for Innovation via Transform Fund 2019

The Islamic Development Bank (IsDB) has established a special Fund, known as Science, Technology and Innovation Transform Fund (IsDB-STIF) to support its Member Countries in finding practical solutions to key development challenges related to 6 focused Sustainable Development Goals through the power of innovation. Transform is a multi-million-dollar fund that provides seed money for innovators, startups, SMEs and institutions that need initial funding and growth capital to develop their ideas and compose a strong business proposal. The second round for the Call for Innovation under Transform Fund is now open. Deadline for submission is **31 May 2019**.
