

Young Health Programme Scholarship | 2019 :

UK : Fully Funded 05 Days in UK

Who can apply ?

Young people (aged 18 - 30) who work for or are involved with a non-governmental organisation, social enterprise, community based organization, or who are individuals making an impact through advocacy activities or direct programming related to fighting the burden of non-communicable diseases. In particular this scholarship seeks to support young leaders making an impact in at-least one of the following areas:

Tackling tobacco use and alcohol consumption

Increasing physical activity and exercise

Improving diet and nutrition

Raising awareness of mental health and supporting people with mental health problems.

Tackling pollution and improving air quality

Deadline to apply : 25 May, 2019
