Application Steps

Step 1

Find a suitable degree programme for you to study in Turkey visit the website mentioned below

www.studyinturkey.dreamapply.com

Please read carefully about programme requirements from programme specific website and directly contact the admission office at the university offering the programme, or contact Study in Turkey if you have additional questions.

The screenshot shows the 'Study in Turkey' website interface. On the left is a red sidebar with the 'STUDY IN TURKEY' logo and navigation links: 'Find programmes', 'Browse institutions', and 'CONTACT'. The main content area has a header with 'Study In Turkey' and 'Pakistan' dropdown, and buttons for 'Become an applicant' and 'Sign In'. Below the header is a large banner with the text 'START YOUR JOURNEY' and 'Send your online application easily'. A search bar asks 'What do you want to study?' with a 'select all' dropdown and a 'Search' button. Below the search bar are four university listings:

- BAU** Bahcesehir International University Batumi, Batumi, Gürcistan, Georgia
- BAU** Bahcesehir University, Istanbul, Turkey
- ATILIM** Attilim University, Ankara, Turkey
- BAU** BAU International Berlin University of Applied Sciences, Berlin, Germany

There are also two promotional banners on the right side of the page:

- TÜRKİYE BURS LARI SCHOLARSHIPS** with a 'Read more...' link.
- 1- Top State (Public) Universities Teaching in English** with a 'Read more...' link.

Step 2

Prepare the required admission documents. If you intend to submit an application, it is also important to check country specific requirements (listed usually on the university`s website) to ensure the qualifications you are studying for are considered suitable for admission to the chosen university.

If you are applying to several programmes at the same time, then keep in mind that different programmes and universities may have different requirements (documentation, accepted English tests and scores, admission tests, interviews, portfolios, essays etc.) for applicants. Most of well-known English tests are (IELTS, TOFEL etc.) are accepted by all Turkish universities.

Step 3

Submit your application via the online admission system at the following **website: www.studyinturkey.dreamapply.com**

You can apply to several Turkish universities and programmes with a single application. The admission system will guide you through the application process and inform you via email if any feedback is given to you by the university where you have applied. Make sure to finalize your application.

Step 4

After finalizing your online application, send the printed online application with certified copies of the required documents (certificates of previous education, certificate of English skills etc.) to your first-choice university. Please confirm with the university what documents you need to send. Make sure that the documents will arrive before admission deadline. Please check the deadlines in the admission calendar.

Step 5

If you have been successfully accepted to study in your chosen university and you have confirmed your decision, the university will issue acceptance documents. You can find information on visa and temporary residence permit for studying on our website: **www.studyinturkey.dreamapply.com**

Step 6

After finalizing all the processes get ready for your awesome studies in Turkey!

Fee and Expenses

Estimated living expenses for international students are minimally 300 to 400 US dollars per month depending on the student's way of living. Books and administrative fees are approximately 100 to 150 US dollars per semester.

Tuition Fees:

Tuition fees vary according to whether the university is private or publicly funded, its location and the course chosen. At state universities, semester fees may be as little as around 300 USD, while at private universities tuition fees can reach thousands. Information about tuition fees is best sought directly from the institution to which you wish to apply. Private universities' fees are more expensive than state institutions' and postgraduate study is more expensive than undergraduate study.

Tuition fees for higher educational degree programs are set by the government at the beginning of each academic year. The tuition fees for international students vary depending on the nature of the program. Approximate annual tuition fees are as follows:

UNDERGRADUATE PROGRAMS:

1. State Universities:

a) Universities where medium of instruction is TURKISH:

Foreign nationals: US \$ 240 – 750

b) Universities where medium of instruction is ENGLISH:
